

## **STAFF TEAM BUILDING WORKSHOP**

**Creating United Staffs of America! – TEAM BUILDING for childcare employees (2 hour workshop)**

Do you have a “team” of teachers at your center or just a group of employees? How well do you know your staff... or better yet... how well do they know each other? It’s clear that childcare employees have a multitude of training opportunities made available to improve teaching skills, classroom management and understanding child behavior. But, how are your employees with demonstrating verbal and non-verbal communication skills with fellow staff members as well as the parents of the children they teach.

This workshop is designed to build a unified happy staff that works together for the common goal of having a successfully run childcare center. This two hour workshop includes large and small group activities that are created to challenge participants mentally, physical and verbally in order to work together as a team. Ice breakers, scavenger hunts, blindfolding, hula hooping and whole lot of fun is the strategy for success in this one-of-a-kind team building workshop.

- ❖ TEAM BUILDING WORKSHOPS ARE AVAILABLE BEGINNING IN JANUARY.
- ❖ HELD CONVENIENTLY, AT YOUR CENTER WITH YOUR CHOICE OF TIME AND WEEKDAY OR NIGHT.
- ❖ \$15.00 PER PERSON – MINIMUM OF 10 PARTICIPANTS.
